O R D E R

In GO 5th read above, Government have accorded permission to M/s Saraswathi Power & Industries Pvt. Ltd., Chennayapalem & Vemavaram Villages in Machavaram Mandal, Guntur District for drawl of 0.0689 TMC of surplus water per annum during the flood time in monsoon season from the Krishna River.

2. In the letter 6th read above, the Director, M/s Saraswathi Power & Industries Pvt. Ltd., stated that the orders issued in GO 5th read above is restricting the water usage for 5(five) years, which would the viability of the plant without longer water linkage. As the Cement industry requires water for cement plant, captive power plant and for drinking water requirement of township and green belt that requires investment with a longer period for operation and function for commercial viability of such investment creating jobs and opportunities and therefore, requested the Govt., to amend the earlier sanction, so as to have water usage for adequate period for the industry.

3. After careful examination of the matter, Government in partial modification of the orders issued in GO 5th read above, hereby accord permission to M/s Saraswathi Power & Industries Pvt. Ltd., at Chennayapalem, Vemavaram Villages, Machavaram Mandal, Tangeda, Dachepalli Mandal, Guntur District for drawl of 2.19 Cusecs or 0.0689 TMC of surplus water per annum during the flood time in monsoon season from the Krishna River for lifetime period of the plant, under the condition of payment of water royalty charges @ Rs. 5.50/- per 1000 gallons and at the rates fixed by the Government from time to time, subject to the terms and conditions stipulated in earlier GO.

4. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, Chief Engineer, Krishna Delta System, Vijayawada and the

(PTO)

Collector & District Magistrate of Guntur district shall take necessary action accordingly.
